

Local hero saves boy's life With the Sam Pad Defibrillator

Security guard saves student's life with defibrillator

Sat afternoon 7th March 2009

17 year old leaving certificate student (from the Abbey Community College, Ferrybank)
collapses in Newsagents - City Square Shopping Centre Waterford

Quick thinking Security guard performs CPR & uses defibrillator.

A life saving shock was given & continued CPR.

Treatment for someone in cardiac arrest

Defibrillator supplied by Heartsafety Solutions as chosen by the GAA

Emergency Services arrive & take victim to hospital

Student is well & recovering in Waterford Regional Hospital

Feel good story in times of recession
